Tools of the Trade

Commits dance with grace,
Branches bloom in shared garden,
GitHub's code embrace.
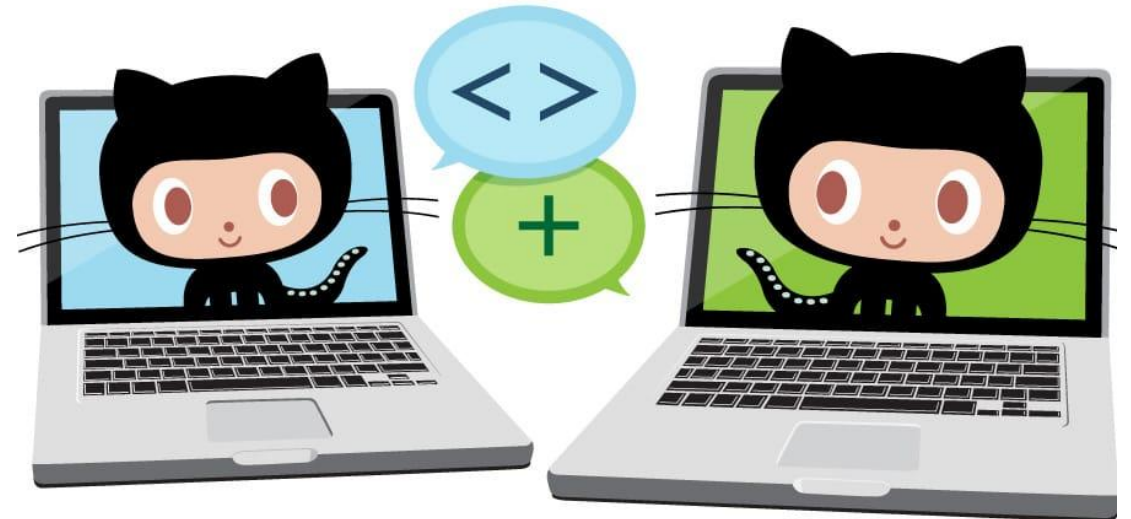

Tools of the Trade

IDE has warm embrace,
Code dances in vibrant screens,
Dev's creative space.

Who is who in OSS

Hearts selflessly give,
Open source thrives and evolves,
Contributors' love.

Code

Lines intertwine, breathe,
They carry our thoughts to life
A great work of art

Docs

Words upon pages,
Guide lost souls through labyrinth,
Docs? Who reads those things?

Feedback

Constructive words flow,
Seeds of growth and improvement,
Feedback paints new paths.

Bug Reports

Code twists and tangles,
Bugs are hiding and laughing,
Debugging... oh, joy!

Questions

Questions stacked so high,
Seeking answers in the world,
StackOverflow's light.

Architecture

Lines, boxes, arrows,
Architect's grand masterpiece,
Code's symphony sings.

Presenting and Teaching

Knowledge is power
But it is more powerful
When it's shared.

Tests

Tests say it is good
But the users say it's bad
Time to start over...

CLA (Contributor License Agreement)

License terms unfold,
Contributors, understand,
Agreements bring peace.

OSS Licensing

Open source's dance,
Licenses speak lawyer prose,
Read their boring sway.

Code of Conduct

In words, wisdom lies,
Code of conduct's guiding light,
Respect unifies.

OSS Contribution Flow

Code streams align,
Contributors merge in flow,
Open source code flows.

PR Flow

Checkout Topic Branch → Do your magic → Commit with message → Push to Github → Submit PR

Commit Statements

Precise words reveal,
Commits etch their lasting mark,
Clarity's treasure.

First Review Flow

Checkout Topic Branch → Do your magic → Commit with message → Push to Github → Submit PR
